

TMX

Direct
Drive

More compact and no drive losses!

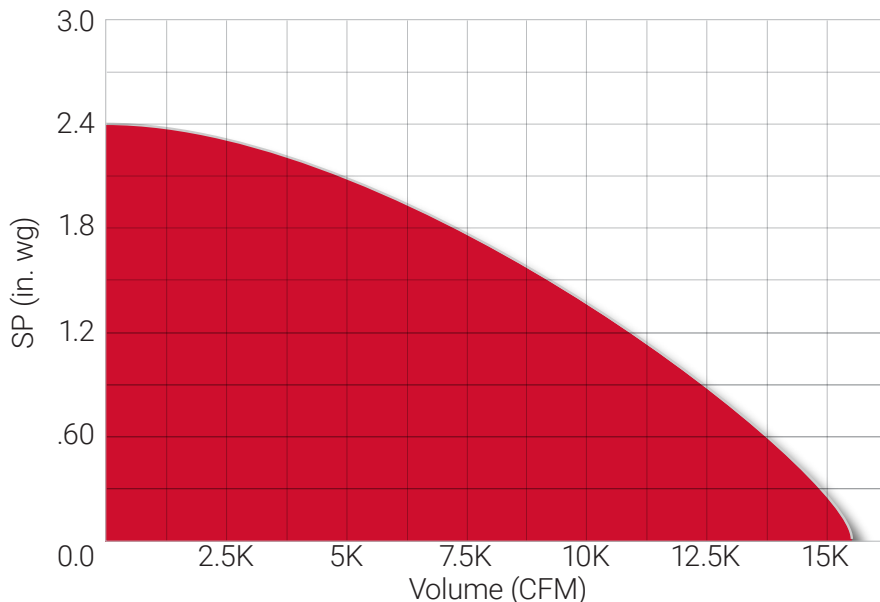

Cook's **economical** mixed-flow fan is now offered in **direct drive!**

The TMX now offers nine new direct drive sizes (90 - 245) with some attractive benefits:

- ▶ No drive losses
- ▶ Lower maintenance cost
- ▶ Sizes 90 - 135 exclusively use EC Motors
- ▶ Compatible with Cook's line of Vari-Flow controls
- ▶ Sizes 150 - 245 available with EC, PM or Standard AC motors

Offering performance up to **15,500 CFM** and up to **2 1/2 in. wg** in a **compact** and **efficient** design, the **TMX** is a great choice for indoor **supply, exhaust, or return** fan applications.

YOUR WISH LIST!

- Move More Air
- Consume Less Power
- Use Less Space

The Answer:
